

1. Setup Times: See bottom of sheet. Entry to loading area is in the rear of each building. Your specific set-up times will be handled according to your booth # at all shows except Anderson & Spartanburg.

2. Tables & Chairs Rentals: Wedding Festivals prefers to lower the booth price and put more revenue into advertising, as a result, exhibitors need to rent or bring their tables, chairs, etc. Booths do not come with these items. To rent them, fill out the rental form and mail or fax to the appropriate company. All rental items must be pre-ordered & paid by the appropriate deadline dates. Tables & chairs may not be available the day of set-up.

3. Booth Dividers- All booths will have white or black backdrops. Signs & decorations may be attached to the backdrop poles, but nothing can be attached to facilities walls. Wedding Festivals cannot guarantee color of drapes. Many exhibitors who feel that background color is important for their display, usually pin a piece of fabric on top of the drape. This also helps them to stand out from other booths. No tape may be used on any poles. Side poles are not provided.

4. Signs- Each exhibitor is responsible for their booth sign. (Booth signs are not provided) A large logo sign is best and may be hung on the cross poles. Other ways of displaying your sign is to use an easel or set it up in your booth. Remember, the larger your sign, the bigger the effect.

5. Security- Please do not leave anything of value overnight or unattended. Wedding Festivals or the exhibit halls are not responsible for theft or damages.

6. Carpet- You may want to have a 10x10 remnant piece of carpet to make your booth more attractive & comfortable. Some venues are carpeted and some are not. See individual floor plans for this information.

7. Food- Caterers, only, may give out sample size food & must fill out a food form for the TD Convention Center show. Exhibitors can give out pre-wrapped candies. Food sample request forms must be signed. This form will be emailed to you in your last minute email two weeks before each show date. Other venues may require this as time goes on.

8. Door Prizes- Exhibitors may give away prizes although they are not required. Exhibitors must be responsible for providing their own door prize boxes & registration cards.

At the end of the show, exhibitors will write the winners name and display it in their booth on a colored slip provided by show management. The brides will walk through the show one last time to see if they have won. Names collected at the show through door prizes or any other means, remain the property of Wedding Festivals. Exhibitor agrees not to sell, lend or otherwise transfer names collected at the show, to any business or individual for any reason. Exhibitor agrees that under no circumstance will the names be used to promote any other multi-business bridal or weddings related show or event, directly or indirectly, including exhibitors participation within such an event. No sharing or subleasing. An example would be a florist providing a floral arrangement in exchange for placing cards or literature in a booth. **THIS IS STRICTLY ENFORCED!**

All multi-business businesses must have a booth for every business represented at the standard rate per business. All literature, in any form, must be from the business that has a contract with Wedding Festivals. This includes door prizes, signs, or mentions in exhibitors literature of other businesses that do not have a proper contract with Wedding Festivals. In Addition, a non contracted wedding business representative cannot "work" a booth for another business.

Exhibitor agrees that the list and any names collected at the show, through door prizes or any other means, shall remain the property of show management, and Exhibitor agrees not to sell, lend or otherwise transfer the list, or names collected at the show, to any business or individual for any reason. Exhibitor agrees that under no circumstance will the list will be used to promote any other multi-business bridal or weddings related show or event, directly or indirectly, including Exhibitors participation within such an event. Exhibitor agrees to be held liable for any unauthorized use of the list and names collected at the show according to Exhibitor contract. Exhibitor is responsible for contacting show management if list is not received.

21. REVIEW BOOTH LOCATIONS!!!, (booth #'s will be emailed to you no later than one week before show date.) It is up to you to let us know, prior to set up, if there is a problem with your location.
